Monthly Dinner

I would like to discuss our monthly dinner situation at our August meeting this Thursday. We are currently charged for 25 meals minimum each month. The number of our members that choose to have the meal has been less than 25 lately and our club has been paying the difference. What do our members think about this situation? Do we need to make a change?

If you have a suggestion or thought please bring it up at the meeting or send me an e-mail or give me call.

MESSAGE FROM THE Vice PRESIDENT BETH BATISTA

Where has the time gone? As I was catching up on my reading, I came across an article about the beginnings of the Corvette. Sixty-five years ago, on June 28, 1953, the first of only 300 hand-assembled Polo White Corvettes rolled off of the production line. With features such as doors that only opened from the inside, a clock, cigarette lighter and a red warning light that activated when the parking brake was applied, this car could have been yours at the time for only \$3,490. I was a little too young to drive one at the time, but I bet it was a fun vehicle to drive at the time.

This month I'll be journeying to Steamboat Spring, Colorado to participate in the annual event, Vettes on the Rockies. It will be a great time...cooler weather and the opportunity to make new friends in Colorado who share a love of all things Corvette. I'm really looking forward to this trip!

See you all at the meeting!

Beth Batista

UPCOMING EVENT

Vettes on the Rockies

Thu. Aug. 23, 2018 - Sun. Aug. 26, 2018

3:00 PM

Various Locations

Vettes on the Rockies The 65th Anniversary of America's Sports Car

The "Looking Glass Corvette Association" and "Vettes On The Rockies" have been around since 1973, starting as a club picnic in Grand Lake, Colorado. The event's location has moved over the years, using several mountain venues, at one point attracting over 600 cars to Summit County. To celebrate the club's 45th anniversary, a national event is again being planned for 2018. Steamboat Springs and the Steamboat Grand Resort have been selected as hosts for the event.

The weekend will start Thursday afternoon with registration, followed by a "meet & greet" at the hotel. Friday morning the "Funkana" will be run in the Meadows Parking Lot - a slower speed driving event on a tight course with special "tasks" to complete along the way. Spectators are welcome. Friday evening will feature a live auction at the hotel.

The "Show N' Shine" car show will be held in downtown Steamboat on Yampa Street Saturday morning, and will be followed by a banquet at the Grand Resort Friday evening.

There will be plenty of free time in the afternoons and evenings for attendees to enjoy the local scene-great food & shopping, the hot springs, scenic drives, mountain-top dining, pro rodeo, and all the other great activities that Steamboat Springs offers.

EAST TEXAS CRUISE, BRENHAM/JEFFERSON SEPT 7, 8 & 9TH

As every should know by now we are set to cruise to Brenham and then on to Jefferson, Texas. We will be stopping on the way to Brenham for lunch at a little place called “Top of the Hill Greasy” burgers. It was recently featured on Texas back roads and we have eaten there and can attest that the hamburgers are GREAT!

From there we will head by Washington on the Brazos for a visit. In addition to many Texas historical facts they have an excellent demonstration farm with people in period clothing and a farm house, barn and animals.

In Brenham we will visit the Blue Bell factory store to get our ice cream and then on to the Holiday Inn Express and dinner.

The next day we will head out for Jefferson via some really great back roads (we hope we can remember where all the turns are)... These roads go through the Davy Crockett and Sam Houston National Forrest which are very lush and beautiful. We will stop for lunch at a small cafe, converted from a church, which is being opened for lunch on Saturday for just us.

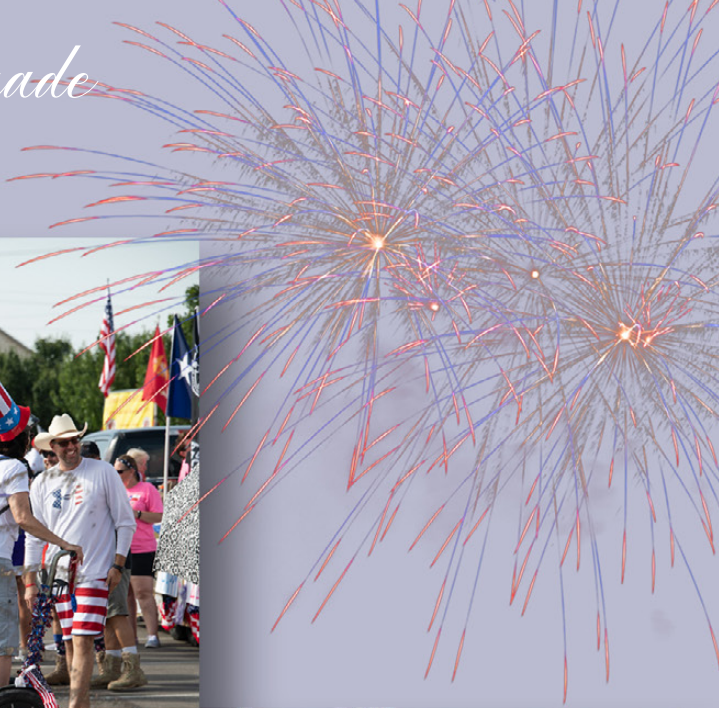

Once in Jefferson we will be staying at a historic hotel in downtown which has many shops and antique stores/malls as well as some nice historical buildings. Everything is within walking distance of where we are staying and we hope to be there in time for those that wish to take a stroll through downtown Jefferson. Kelly Fulmer has set up dinner for us at Big Pines Lodge Restaurant on Caddo Lake, which has a upper deck and ground level patio with water views.

We have mapped out a return route which includes lunch at Boondocks on Cedar Creek Lake and some back roads to get us home.

Remember that the rooms are only being held until August 7th, so if you plan on coming please get your rooms reserved. We plan on putting out a list after August 7th to get a head count, and to get lunch selections for Saturday lunch.
