Events/Cruises

The lunch cruise to Italy, Texas, organized by Allen Kettlehut, was a fun time for those who went.

Beth Batista was directly contacted by a member of the Dallas Cowboys staff, asking if our club would be interested in a "Cowboys and Corvettes" private VIP tour of the Cowboys Stadium on September 21, This particular day will be a Fan Appreciation Day, with former Dallas Cowboys and Dallas Cowboys Cheerleaders on the field, available for autographs. Beth will be sending out an email to club members with additional information and would like to have an RSVP for this event.

The date for Donny & Kerri Lawson's Love Rock party has been changed from Saturday, September 7 to the following Saturday, September 14 at 6:30. Please RSVP them if you plan to attend. This event is always a fun time!

Car Show -Jim Hill distributed copies of an A-Z, step-by-step list of volunteer jobs in preparation for our car show. Several people volunteered to stuff envelopes with car show information to be mailed to previous entrants and other interested parties. Members will also need volunteers to help with the re-labeling of wine bottles which will be awarded at the show. As the car show gets closer, many other tasks will need to be completed and more volunteers will be needed.

Monthly Meeting Minutes Continued

Registration form for our car show is now available on www.BrazosRiverCC.com

Please give any Silent Auction items to Sandy Varner.

Once again, Donny & Kerri Lawson will be providing lunch at the car show for our members.

NCCC - Neil Bellamy shared that the club's NCCC autocross racing sanctions will be honored at the September 21 Cowtown Vettes Autocross event for those members who wish to participate in autocross.

Merchandise – Larry Sharp can fulfill your wildest dreams when it comes to acquiring BRCC logo items. Contact him for your new shirt, hat or whatever you want embellished with the club's logo.

There is a possibility of a Track Day at Cresson for members. Contact John Bratta if you are interested.

Old Business

Members seem to really enjoy the new meeting location at Spring Creek BBQ, so monthly meetings will continue at this location.

The location for the club's annual Christmas Party was discussed. Bernie Mull volunteered to contact Pecan Plantation to see what the club's options would be if it was decided to be held there. If members have another idea for a location, please let Tim Jacksy know.

New Business

Tim Jacksy said that elections for officers for the 2020 officers needed a new person to head up the Election Committee. Terry Varner volunteered to do that. Open nominations will begin in September.

Tim said there were no outings scheduled for August. If anyone would be willing to organize something, that would be great.

A Celebration of Life will be held for Garrett and Pat Waddell August 3, 2019.

The 50/50 was won by Bud Sparks. Again.

Motion to adjourn the meeting was made by Larry Sharp, seconded by Earl Harris. All members approved the motion and the meeting was adjourned at 8:00 by Tim Jacksy.

Respectfully submitted,

Beth Batista

Possible Details On The 2022 Corvette C8 Z06 Revealed

With the highly-anticipated launch of General Motors' (GM) Chevy Corvette C8 fresh off the presses, news of the next iteration of the sports car has already emerged. Plans for the Corvette C8 Z06 reveal an even more powerful engine that could top out at a rumored 800 horsepower.

The powertrain that is destined for the Z06 is speculated to come from the Cadillac, featuring a twin-turbo V8 design that has been dubbed the Blackwing, Automobile magazine reported. The Cadillac is currently equipped with a 4.2-liter engine with double-overhead cams and a 550-horsepower rating.

The new engine plans aren't the only changes that Chevy is reportedly making to the Z06 Corvette. Unlike the new C8's eight-speed dual-clutch transmission, the Z06 is rumored to feature a 10-speed dual-clutch transmission with the possibility of a manual transmission option, according to the news outlet.

In a future rendition, the C8 may come down the assembly line with a hybrid powertrain that could output as much as 1,000 horsepower, Motor Authority said. It may also reportedly have all-wheel drive.

The Corvette C8 Z06 will sit above the base model Stingray and is expected to be revealed in 2021 as a 2022 model.

My wife and I have decided to purchase a new Corvette and I only have space for one. That means the 1966 Convertible must go. I just listed it in one of those National Car Trader websites for \$ 69,999 however I will sell it to any of the Brazos members for \$64,999. This is a numbers matching rare Luguna Blue car in outstanding condition. I traveled all over the country to find this car and my experience was that almost all the cars I looked at, at this price point, did not measure up to this car. Here are recent pictures of the 1966 Corvette Convertible.
